2.2.2 Boundaries The boundary of the club will be, all lofts situated at least 475 miles from Victoria Pier LERWICK. (RPRA official liberation site code 4057) with the inclusion of all lofts flying within the county of Lincolnshire.

The Committees View: The committee are strongly against this proposition as the club would be imbalanced on the Eastern side and may harm the membership of the larger geographical area of the club with those flying excess of 500 miles from Lerwick which is the race the club is built upon.
